Dear Ms. Amy Pace:

CONGRATULATIONS!

We are thrilled to share the news that your student **Susette Griffith** has been selected as a **Winner** in the **Innovators of Tomorrow** contest.

Your teacher prize, as outlined in the Official Rules, is a **\$1,000 grant for classroom use**, which will be sent to your school in the form of a check to be earmarked for use in your classroom.

Enclosed please find affidavits for yourself, your student, and your school that will need to be filled out, notarized, and returned to Scholastic **AS SOON AS POSSIBLE**, and with a due date of **April 17, 2020**, in order to officially claim your prize. We understand the need for flexibility at this time which is why we have extended the due date an additional week. If any other issues arise please let us know and will do our best to accommodate. Please note there are three separate affidavits to be signed and returned, in addition to a student letter to share with Susette Griffith.

**If the affidavits from you, your student, and your school are not received, you will forfeit your prize and another winner may be selected.** Please email the affidavits to [CWatts-consultant@Scholastic.com](mailto:CWatts-consultant@Scholastic.com) and [ScholasticSubmissions@Scholastic.com](mailto:ScholasticSubmissions@Scholastic.com).

Thank you very much for your interest in the Innovators of Tomorrow contest, and congratulations again!

Warmly,
